How to sign up and start earning

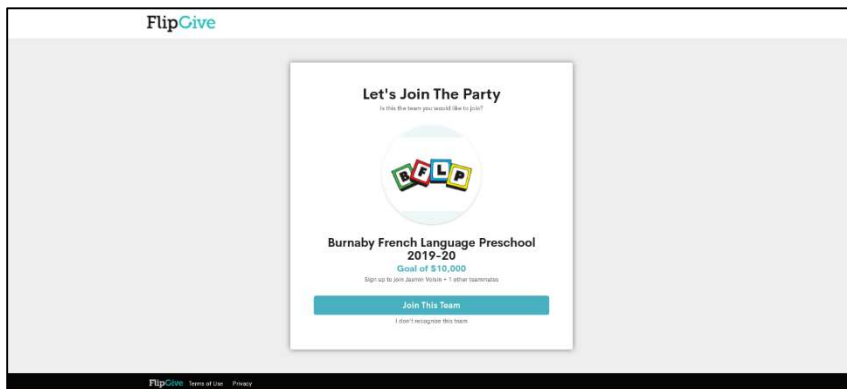

For Parents & Guardians

Click on the following link:

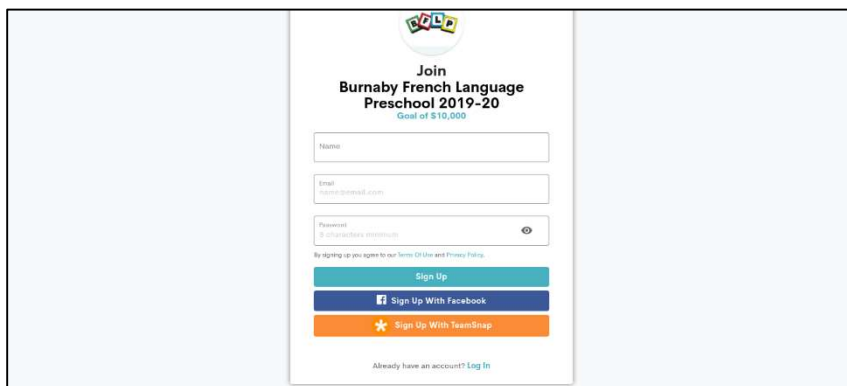

https://flipgive.app.link/teams/join?fundraiser_name=BFLP&joincode=ZQCKRG

(or join from our Fundraising page on BFLP's website). If you are prompted for a join code, enter **ZQCKRG**.

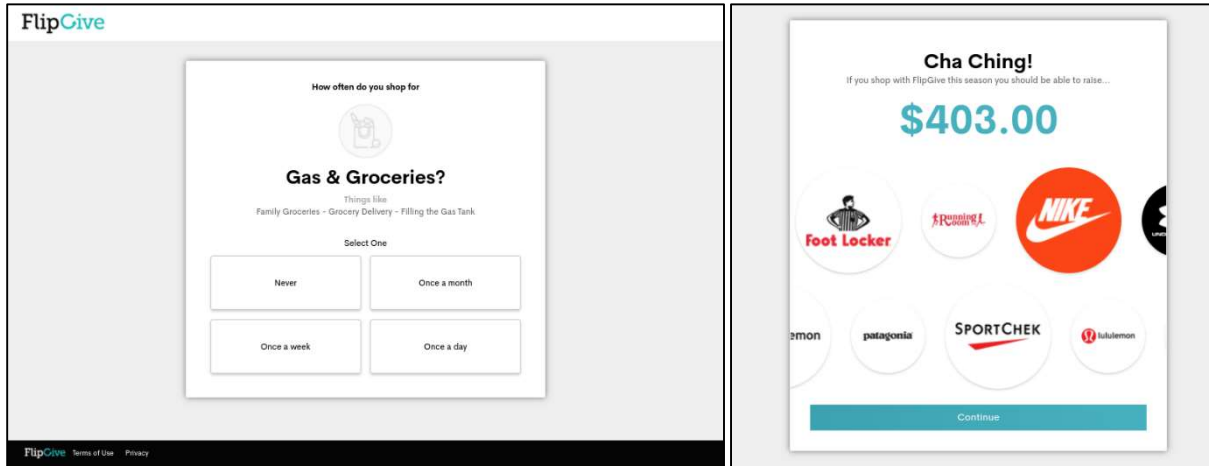

Click the **Join This Team** button when prompted.

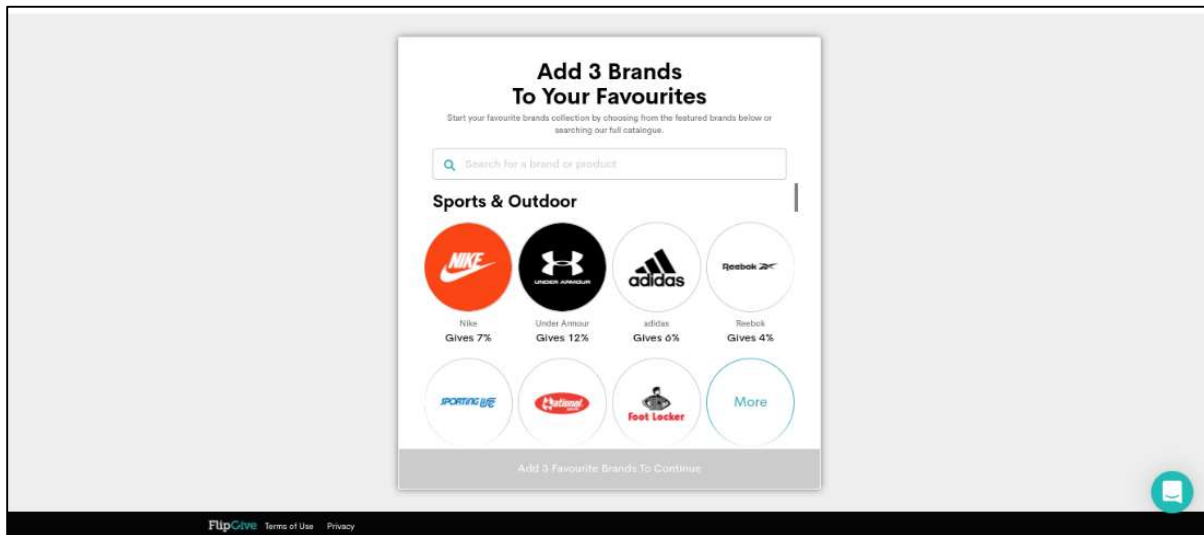

Complete the form to sign up (or log in to an existing account). You can use your child's name or a parent's/guardian's name. **One team member per child will be easiest for our fundraising team to track. Additional family members who wish to contribute can use our store link (see Friends & Family below) to contribute to your family's fundraising goal.**

Follow the prompts to personalize your account. FlipGive will provide an estimate of how much you can earn toward your fundraising goal by shopping through the site.

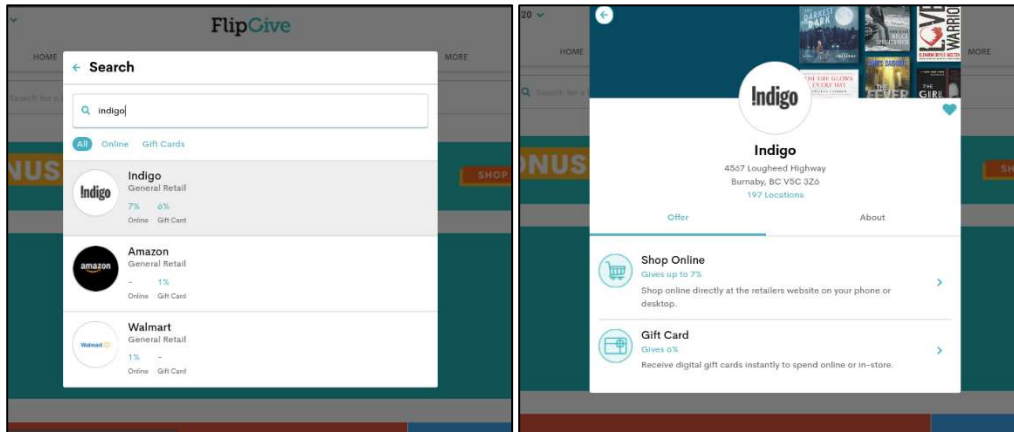

Add at least 3 brands to your favourites to personalize your store page and complete your account setup.

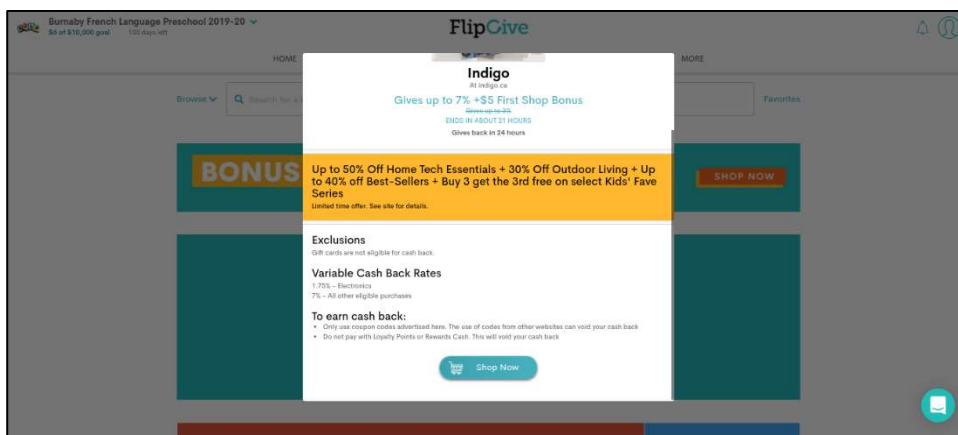

Earning Money

Look through the Home, Store, and Nearby pages or use the search function to find a store you would like to purchase from. Some links are for online shopping while others are for purchasing e-gift cards. They will indicate what percentage of your purchase will be contributed to your fundraising goal.

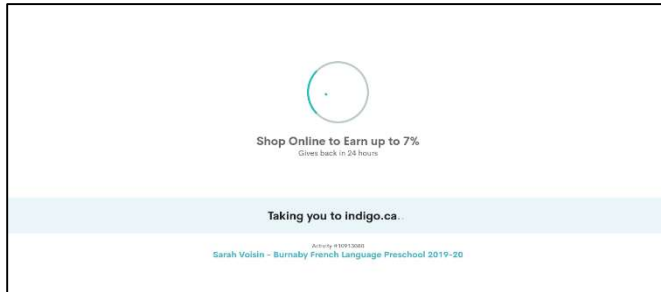

Online Shopping

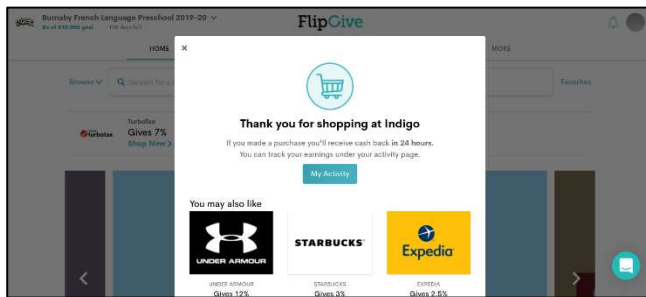

If you select online shopping, read the store's terms/conditions and click the **Shop Now** button to begin. You must do this step before adding any items to your cart. If you have items in your cart from an earlier session at the same store, they will not count toward your contributions.

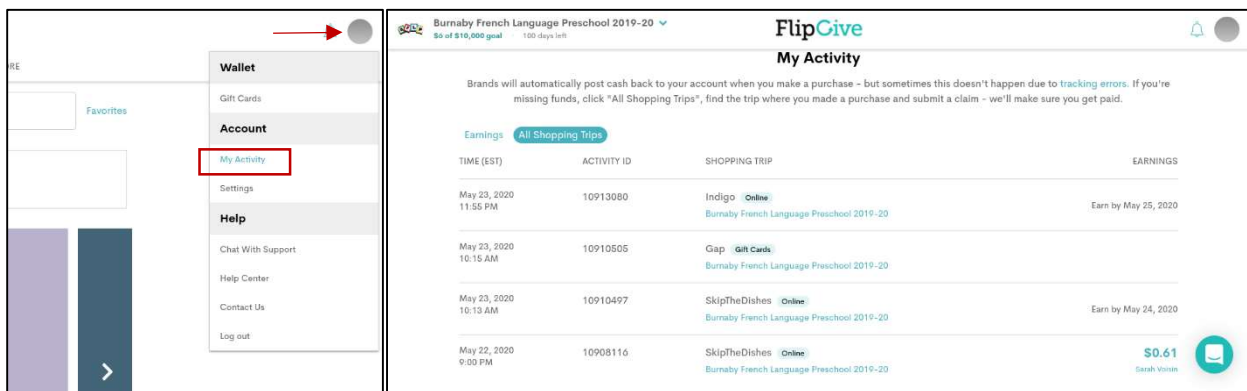

Browse and shop as usual **in the same tab you are originally directed to through FlipGive.**

After shopping, you will get a thank you message that tells you when your FlipGive account will be credited with your cash back amount. You will receive an email when your account has been credited.

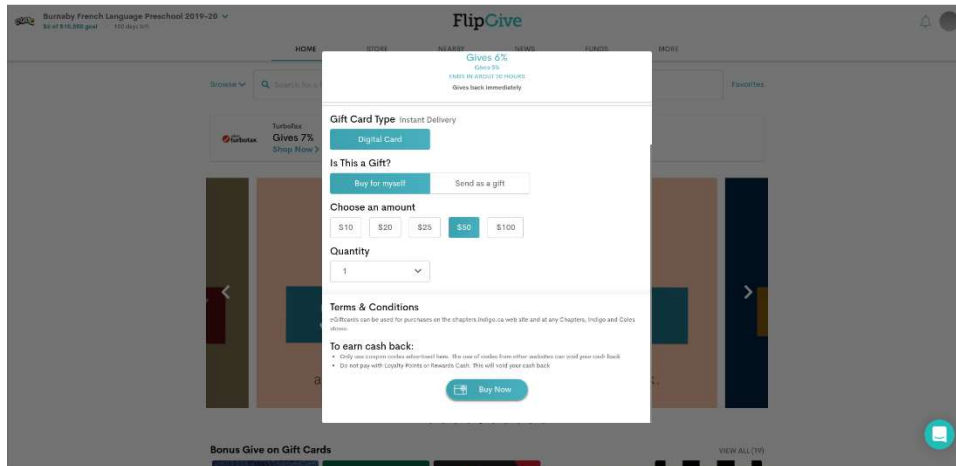

You can see a summary of your shopping activity and earnings by clicking your profile picture in the top right corner and selecting **My Activity**.

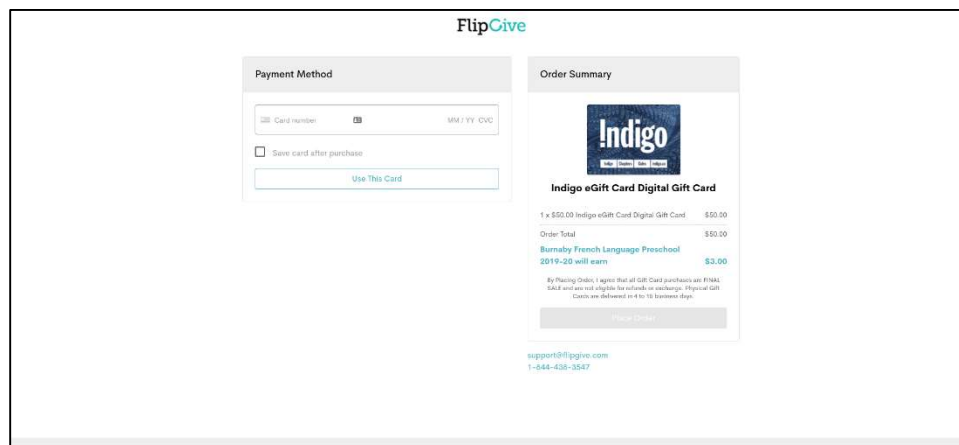

Gift Cards

If you choose to purchase gift cards, select from the available options and read the store's terms/conditions. Click the **Buy Now** button when you're ready to complete your purchase.

Complete the checkout process to have the indicated amount credited to your account.

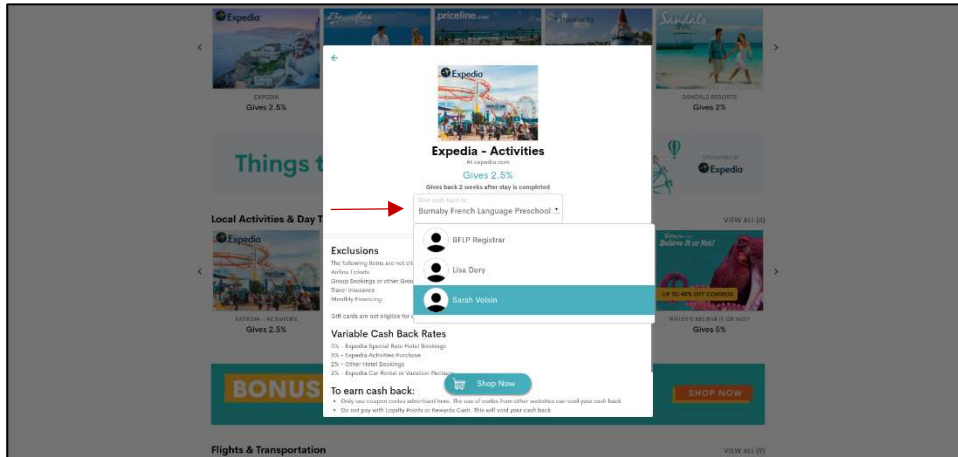

For Family & Friends

If you send our store page to other friends and family members, they can contribute to your child's fundraising goal. They can link to our store from the Fundraising page on the BFLP website or use the following link:

<https://www.flipgive.com/teams/239110-burnaby-french-language-preschool-2019-20>

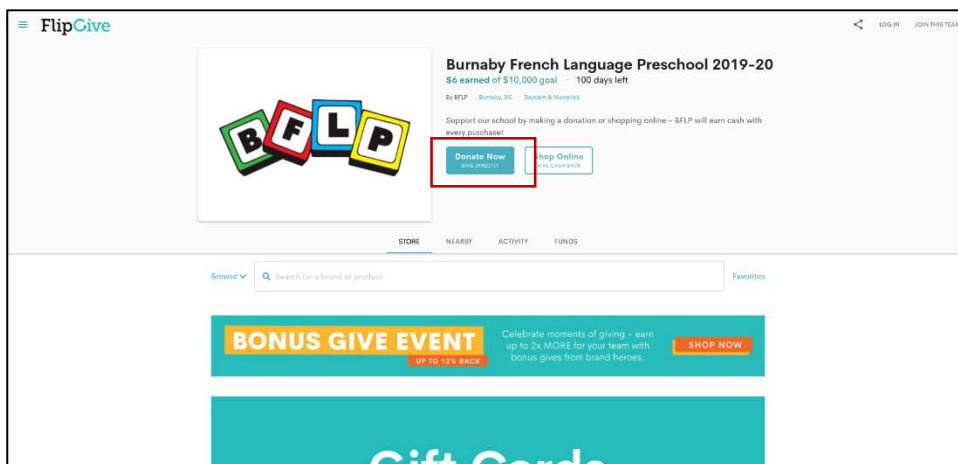

They can then click the **Shop Online** button and proceed in the same way described above. **Please remind them to select your name from the drop-down menu to properly credit your child's fundraising total.**

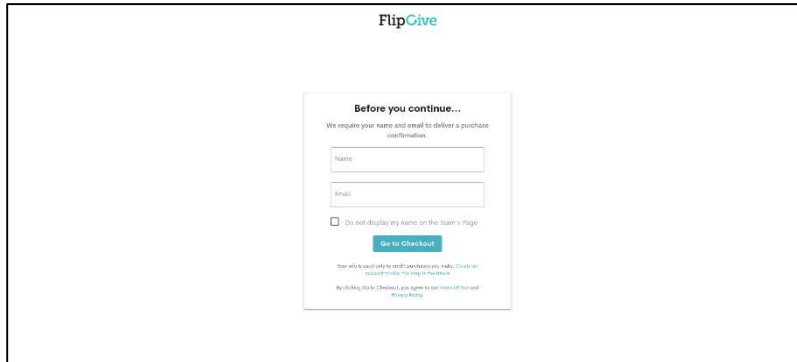

Donations

Donations can also be made from our store page and will be counted toward your child's fundraising total. **Please note that FlipGive charges a 6% processing fee on any donations made through its site. This amount will be added to the donation total and paid by the donor.**

To make a donation, click the **Donate Now** button.

Donors must enter their name and email address to receive an email confirmation of their donation.
